MISSISSIPPI GULF RESORT CLASSIC

“The Mississippi Gulf Resort Classic is one of the top sporting events in Mississippi. The Tournament has been successful in not only highlighting outstanding golf talent, but in bringing tourists from around the country to see our beautiful Mississippi Gulf Coast.”

Governor Haley Barbour

CHARITY AND COMMUNITY

Charity begins on the golf course at the Mississippi Gulf Resort Classic. In addition to supporting Habitat for Humanity of the Mississippi Gulf Coast, the tournament's main beneficiary, the tournament encourages participation in our Birdies for Charity program. Participating charities receive every single penny of the donations generated. This pledge-based program also gives charities the opportunity to win great prizes when you pitch in to help the soliciting charity. In 2011, your support helped to raise over \$36,000 for local charities.
